

'Enjoying Learning Together'

18 November 2016

Dear Parent/Carer,

Please see what your child will be up to this term on our Topic Web attached to this letter.

As part of our Topic and Religious Education, the children will be thinking about what is special to them, who helps and guides them and the special times they celebrate. If you have a picture of your child and your family during a special celebration please can you bring this to school for your child to share. If you do not have a picture of a special time you can also just bring a photo of your family or your child could draw a picture of themselves and their family celebrating.

In addition to this, if your family has any special objects or clothing that they use or wear during special times we would also love for your child to share these. Please bring these things in next week if you can.

It would be great if any parents/carers could come in and share the special times they celebrate with their families and how they celebrate them. If you are able to do this please let us know.

We will also be having our own celebration party at the end of this term. We will let you know soon what date it will be.

Thank you.

Best wishes,

Heidi and Dipika
